

RENTAL INSPECTION ORDINANCE

In December of 2012 the Covina City Council approved a Rental Housing Inspection Ordinance in order to help the City proactively regulate the health, safety and welfare of non-owner occupied rental properties. On February 10, 2015 invoices were mailed to property owners who have rental property in the City of Covina. A follow-up mailer was mailed out Thursday February 12, 2015 providing further explanation about the above noted invoice. Please contact Code Enforcement at 626-384-5476 or Finance at 626-384-5510 for any further questions regarding this matter.
